

# Dance Residencies

**Accent Dance NYC** offers dance residencies custom designed for K-12th grade students that conclude with a culminating performance. For eight weeks to a full academic year, during or after school, we provide dance programming in a variety of dance styles from hip hop to ballet, West African dance, Afrobeat, step, salsa, tango, Latin dance, modern, creative movement, dance making and more. We also can incorporate explorations of topical issues, including social justice, identity and self-discovery. Your students will create, explore the cultural/historical origins of various dance forms, empower their voices, expand their learning, and DANCE!
